"The whole earth is filled with awe at your wonders; where morning dawns, where evening fades, you call forth songs of joy"

Psalm 65:8

The word ***WONDER*** necessitates questions: How? Why? Who? For how long? Despite cultures pull to cynicism, individualism, and hopelessness. God has "set eternity in the human heart" (Ecclesiastes 3:11). There is an innate awe in us for the sublime, the majestic, for beauty beyond comprehension. Despite our own inability to answer big questions about these things, there is a Word to guide us- one that "was with God, and....was God. He was God in the beginning. Through him all things were made; without him nothing was made that has been made." (John1:1-3) All that we wonder at finds an answer in the person of Jesus

What's more, in Jesus we discover not just answers to existential questions, but a call to a deep and intimate relationship. We are known and cherished as his very own children. Oh, to see the world with childlike wonder again! Through faith, we, as the community of believers, are invited to experience and explore creation with fresh eyes- and not just the beauty of a sparkling beach at sunrise or the scent of evergreens under crisp clear snow. Wonder whispers to us in the still, mundane, holy moments of ordinary life, arguing us to slow down and listen for his good Word.

May we be ever filled with wonder at our Creator God, and may we , secure our identity as God's handiwork, move through the world to do the good works which he prepared for us to do.

NYC INFORMATION

What is NYC?

NYC is a powerful youth event, hosted by the Church of the Nazarene, which has been held in different locations for six decades. Taking place every few years, NYC provides an opportunity for high school students from the USA and Canada to be united for worship, discipleship, community outreach, and tons of fun.

What happens during NYC?

NYC invites students to participate in plenary sessions with engaging speakers and creative artists, live concerts featuring top Christian recording artists, Ministry With Others service projects throughout Salt Lake City, interactive discipleship experiences, and a Recreation Hall filled with individual and group activities, games, and exhibits.

What venues will NYC use in Salt Lake City?

All major elements, including the Main Sessions and the Rec Hall, will be held at the Salt Palace Convention Center.

What are the age requirements for students?

Students who have completed 8th grade through completed 12th grade at the time of the event are eligible to attend NYC.

What if my student has special needs?

Our goal is to be inclusive to all particpants. If your student has any special needs, please contact our directors Austin Elleby and Ethan Gerdes by emailing wapacnyc@gmail.com.

What are venue security measures?

Event registration is required to participate in any portion of NYC 2026. No individual without a name badge (provided to registered student/adult participants, staff, exhibitors, and volunteers), regardless of position or circumstance, will be allowed into the NYC areas of the event venues. Name badges will be checked by venue security personnel throughout the event. Please be sure to wear your name badge at all times and enforce this with your district's students and sponsors.

To access venues, participants must pass through a security checkpoint. Venues will also provide a list of prohibited items that will not be allowed into the event.

REGISTRATION FAQ'S

Can our church get a refund for a registration? Once a participant from you church is registered, your church is financially responsible to pay the registration fee. This is nonrefundable, but it is transferable. If you have a participant backout you can have a particpant take their place. The transfer must be done student to student or adult to adult. You cannot transfer a student registration to an adult registration or visa versa. We encourage you to have each participant pay some sort of deposit to get their name on the list/registration form.

Are refunds possible? 100% refunds are not possible. We are continually making deposits and payments on transportation, hotels, food etc. Refunds will be given according to what we have already paid in deposits per an individual. Refunds will be left up to the local church. If a refund is awarded, it will be deducted from your local church payment. The district will not cut that individual a check.

Can we transfer registrations? Yes. Transfering registrations is one of the easiest ways to fill a spot if a participant has to back out. Please note, you can only transfer from student to student or adult to adult. You cannot transfer from student to adult or adult to student.

If I have questions about the registration process who should I contact? Austin Elleby and Ethan Gerdes will be our district NYC coordinators. You can reach them via email wapacnyc@gmail.com

REGISTRATION PROCESS

NYC 2026, the district, as well as the general church are streamlining communication and the registration process. For NYC 2026 all participants (students & adults) will register through Planning Center. This registration will register them for both the Washington Pacific District as well as for the actual NYC event. Having the ability to register online will require the local church to collect more information than normal, but will also allow an individual to update their own information when information changes. For example: because individuals sign up for NYC almost a year in advance, medical as well as allergy information may change during that time. This program allows each individual to update their own information. Planning Center will also eliminate paper registration forms, medical liability forms, as well as character references for adults. All of this will be done through the online registration process. What follows is step by step instructions for an individual wanting to attend NYC 2026 and the registration process.

Local Church Responsibility

1. Begin advertising/Promoting NYC 2026 within your local church
2. Host an information meeting with young people and parents talking about the importance of NYC as well as the impact it has had in the past and will have for their student.
3. Send families to wapacnaz.org to make their first **$250** non refundable payment. Go to wapac.org and select NYC page to follow the prompts
4. A registration link will be sent to parents of the participants who make the first payment.
5. Please be up to date on payments and particiapants

NYC Coordinator Responsibility

1. Based on the information you send, we will send a registration link to the parent of the participants. We need the parents email and NOT a student email because parents will have to sign an online medical waiver form. We have been asked that even if the participant will be older than 18 at the time of the event, parents still complete the online registration process.
2. Our team will send information to youth pastors regarding information of registered participants. We will send out information bi-weekly with information regarding registration
3. Our team will continue to monitor and communicate with individuals regarding missing information in regards to the registration forms, medical liability forms, and emergency contact information.

Parent/Guardian Responsibility

1. Once the NYC Team sends the registration link to the parent/guardian; it will be the parents responsiblity to register their child.
2. The registration process will walk parents/guardians through a step by step process.
3. Once a parent/guardian completes the online registration they will be registered for NYC 2026.

SPONSOR REGISTRATION

For NYC 2026 Sponsors will go through an application process. This link will be on our district **(wapac.org)** labeled **NYC 2026 Sponsor Application.** All adults attending NYC with the Washington Pacific District will be required to complete the application. As you think about your needs for sponsors attending. Keep in mind as a district we are seeking to be at a 1:6 student to adult ratio.

Following the application our NYC Leadership Team will review each application in detail. We will extend the invitation to register for NYC 2026 with the Washington Pacific District via email.
